**Notice Concerning Change in the Date of Acquisition of Assets of Solder Materials
Business of Henkel AG & Co. KGaA**

Harima Chemicals Group hereby announces that the date of acquisition of commercial rights, assets, etc. related to the Solder Materials business of German chemical manufacturer Henkel AG & Co. KGaA, as previously announced on December 16, 2021, has been changed as follows:

1. Reason of date change

Harima Chemicals Group has been making preparations for a successful asset acquisition following conclusion of afore-mentioned agreement, including procedures for obtaining required permits. However, part of said procedures are expected to be delayed for reasons pertaining to the widespread of the current pandemic, which made it necessary to postpone the date of asset acquisition, as described below:

2. Details of date change

	Date before change	Date after change
Date of asset acquisition	April 1, 2022 (tentative)	April ~ June, 2022 (tentative)

3. Future outlook

The impact of this change in the date of asset acquisition on the consolidated financial results for the fiscal year ending March 31, 2022 is expected to be negligible, but we will make an announcement as soon as there is a need to do so.
