Harima Chemicals Group Successfully Acquired Henkel's Solder Materials Business

HARIMA CHEMICALS GROUP, INC.

As of June 2, 2022, Harima Chemicals Group, Inc. has successfully completed the acquisition of the commercial rights, assets, etc. related to the solder materials business of Henkel AG & Co. KGaA.

Harima will now integrate the products acquired from Henkel into our product portfolio.

Please note that product data has been relocated from the Henkel website and can be found here:
