Harima Publishes Its First Integrated Report

HARIMA CHEMICALS GROUP, INC.

Harima announces the publication of its first Integrated Report.

This report is intended to enhance communication with a broad range of stakeholders and presents in a concise manner the most important material information on the company, covering the core topics of strategy, value creation, businesses portfolio, and ESG initiatives, while at the same time highlighting the company's key financial indicators. Including messages from the CEO and other members of the executive team, the report provides an overview of Harima's current standing, together with its orientation towards the future.

Period covered:

Harima's fiscal year 2022 (April 1, 2022~ March 31, 2023)

Note: Some matters pertaining to Harima's FY2023 also included

Companies covered:

Harima Chemicals Group, Inc., and its subsidiaries and affiliated companies

The report is available on our website in Japanese, as well as in English, as of the end of October 2023, for a wider global audience.
